

2025 ANNUAL REPORT

EVERY HOME HAS A STORY.

As we reflect on 2025, one thing is clear: every home has a story, and every story helps shape our community. This year, families, neighbors, and volunteers came together to turn spaces into places of warmth, stability, and connection. From welcoming first-time homeowners to Grace Fields to supporting families through critical home repairs, each home represented more than walls and roofs—it represented hope, belonging, and possibility.

Thanks to your support, 2025 was a year of meaningful milestones. We closed on five homes in Grace Fields, expanding opportunities for local families. Our Repair Program completed several projects to help homeowners remain safely in the homes they love, and we welcomed more volunteers than ever before on our build sites and in the ReStore. We also celebrated record-breaking Women Build fundraising and our second “House that ReStore Built.”

Together, these achievements reflect a community committed to creating opportunity through affordable housing. As we look ahead to 2026, we remain dedicated to building more homes, strengthening communities, and ensuring every family has a place to call home.

Thank you for being part of this journey. Your generosity and dedication ensure that every home truly has a story worth celebrating.

Liz Qua
Executive Director

Jamsion Rozzi
President | Board of Directors

OUR STORY STARTS HERE.

OUR MISSION

Seeking to put God's love into action, Habitat for Humanity of Boone County brings people together to build homes, communities and hope.

OUR VISION

A world where everyone has a safe, decent place to live. We pursue this vision by serving as Christ's hands and feet—building and improving homes in partnership with individuals and families in need of safe, decent, and affordable housing.

Since 1984, Habitat for Humanity of Boone County has provided a hand up—not a handout—empowering future homeowners to achieve the pride of homeownership by working side by side with volunteers to build their homes. To date, we have built 82 homes and supported more than 250 hardworking adults and children in realizing their dream of stable, affordable housing.

A NEW CHAPTER.

Grace Fields marks a new chapter for our organization and has become an answer to many prayers for the families we serve. For years, Habitat for Humanity of Boone County (HFHBC) struggled to find property to continue advancing our mission of providing affordable housing. In 2022, HFHBC acquired an 8-acre site in Whitestown, Indiana, and began dreaming—of a community where families can thrive in safe, affordable homes and of a sustainable path to build for the next 3–5 years. Grace Fields represents that turning point and a renewed sense of possibility.

Today, that dream is becoming a reality. Through this development, we are creating homes, community, and hope for 24 Boone County families. Construction began in 2024, and as of 2025, we have completed and closed on seven homes, with continued progress bringing that total to seven families served so far. Grace Fields is more than a development—it's the foundation for a stronger future for the families we serve and our community.

THE STORIES WE BUILT IN 2025.

THE HANDS BEHIND THE STORIES

Over 1,100 volunteers generously shared their time and talents this year, supporting the mission in countless ways. From the build site to the ReStore to working alongside future homeowners, their dedication made a meaningful and lasting impact across every part of the organization.

A HOME BUILT FROM GENEROSITY

The second home built with ReStore profits marks another powerful example of sustainability in action. Proceeds from ReStore sales are directly transforming lives, turning donated goods into safe, affordable housing for families in need. Every purchase and donation helps build stronger communities.

WOMEN BUILDING MORE THAN HOMES

This year marked a record-breaking milestone for Women Build fundraising, with 33 teams coming together in an incredible show of support. Collectively, they raised an outstanding \$170,000—demonstrating the power of community and commitment to making a difference.

5 NEW STORIES IN GRACE FIELDS

Closing on five homes in Grace Fields marks an exciting and meaningful milestone for the community. These homes represent stability, opportunity, and the lasting impact of collective effort—helping five families step into a brighter future.

THE VOLUNTEERS BEHIND EVERY STORY.

On the build side, 23 experienced volunteers known as Hammers devoted 2,920.5 hours leading and supporting volunteers on five new homes. Guided by these skilled mentors, over 1,100 unduplicated volunteers contributed their time and energy—many mobilized through 18 faith and community partners who helped coordinate and support teams throughout the season.

Despite facing challenging conditions—from snowy winter days to 90-degree summer heat—the volunteers persevered, completing all five homes. Their hard work has provided safe, stable, and affordable housing, creating a lasting impact for each new homeowner and their family.

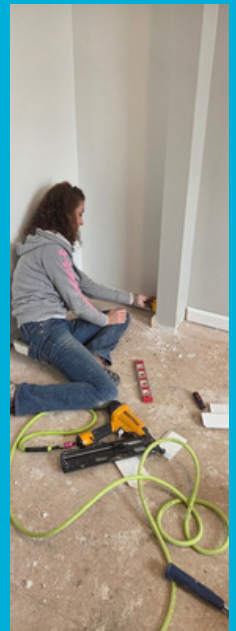

THE STORE THAT BUILDS STORIES.

ReStore recently celebrated its seven-year business anniversary, marked by continued growth in both donations and revenue, with gross sales exceeding \$550,000. Inventory comes entirely from donations by local residents and businesses, ranging from furniture and dining sets to building materials, full sets of kitchen cabinets, and even appliances. Located in Zionsville, ReStore receives an average of over 60 donation drop-offs per week, along with 10–15 scheduled pickups of larger items by our volunteer team. Donations truly are the lifeblood of ReStore, and the ongoing support from our donors is incredibly encouraging!

Our volunteers are phenomenal, dedicating their time and energy to help run the store—many contributing 5–10 hours each week. Their commitment, passion, and hard work are a vital part of our success. Over 40 volunteers regularly give at least one full day a week, collectively contributing more than 7,500 hours in 2025. Their dedication reflects a deep commitment to the Habitat mission. Thanks to the generosity of donors and the time dedicated by volunteers, ReStore is thriving, with all profits going toward building the second “The House that ReStore Built” in 2025!

REPAIR: BECAUSE THE STORY DOESN'T HAVE TO END

The **Habitat for Humanity of Boone County Repair Program** helps local homeowners maintain safe, stable homes through exterior preservation and Age in Place repairs. Tasks like power washing, painting, and landscaping can become difficult over time, and our skilled Repair Team provides the tools and expertise needed to get the job done—helping homeowners protect their homes and remain independent.

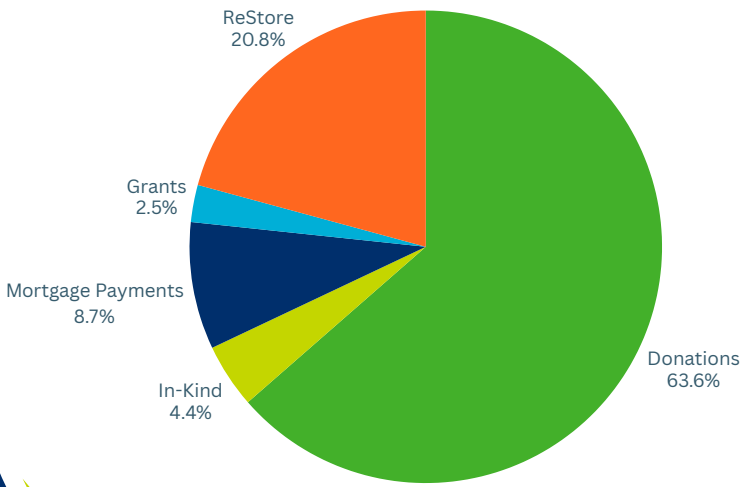

In 2023, the program expanded through a partnership with the City of Lebanon, offering repair grants to eligible homeowners. As with our homebuilding program, participants must demonstrate need, meet income-based eligibility requirements with a sliding-scale payback, and contribute “sweat equity.”

In 2025, our Repair Team continued to make a tangible difference in the lives of Boone County families. Twenty-one dedicated volunteers contributed an impressive 485.5 hours, completing repairs on five homes and helping to improve living conditions for families in need. Since 2018, the Repair Team has assisted a total of 21 families, demonstrating the lasting impact of their care and commitment.

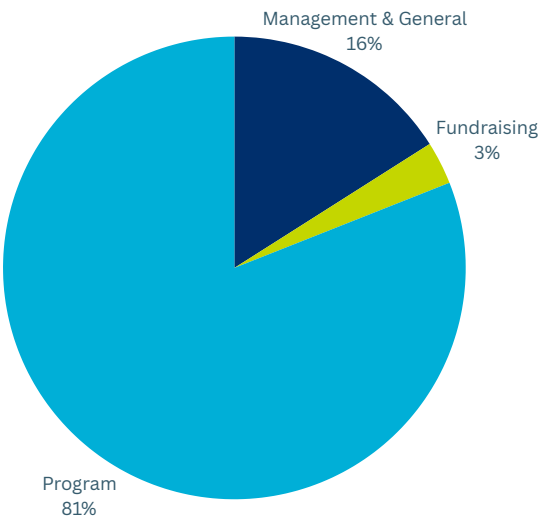

FUELING EVERY STORY.

TOTAL REVENUE

Habitat for Humanity of Boone County consolidated financial information is based on the unaudited figures as of December 31, 2025.

TOTAL EXPENSES

WHAT IT TAKES TO BUILD A HOME

\$150,000 - construction costs
\$22,200 - materials discounts / donations-in-kind
3,088 - volunteer hours
